SHMCC

WE WANT TO WISH ALL OUR CUSTOMERS NEW AND OLD A MERRY CHRISTMAS AND HAPPY NEW YEAR.

2021

After sustaining catastrophic storm damage in February 2020 shortly followed by covid 19 pandemic and national lockdowns, it's certainly been an interesting time. Our Teams have worked hard to help us recover and grow through the 2021 year. We have a new website and a revamped showroom at our sales site and have some exciting things planned for 2022 so keep an eye out. Along with that we are incredibly excited to have secured a site very close (walking distance) to our Sales Department for our new Service Centre with the same lovely faces along with few new faces that are all fully trained. As we continue into 2022 Vehicle availability is still very scarce and our Service Department is getting increasingly busier. Please call our teams on 01600 890870 (Opt 1 Sales) (Opt 2 Service). We are closed from 15th December 2021 Until 4th January 2022.

The new location of our Service Centre has been a momentous change for both customers and our entire team. With the original team and a few fresh ones, they now cover a huge multitude of areas from engine servicing, Habitation checks, PDI'S, mechanical repairs, accessories including Awnings, Solar Panels, Cameras, levelling systems, damp repairs, insurance work and much more.

We are excited to announce that SHMCC & Swift have an exclusive partnership to be able to offer the Swift Kon-Tiki 9 Series. Hosting extremely high specification with Grade 3 Insulation, Alde Heating, Double floor, Exterior shower and BBQ point, Wide habitation door, Swift Vision, Alloy Wheels, Black Cab, 180 BHP Automatic (9 Speed) Dab Bluetooth radio, Satnav, Highline, Awning, Solar Panel, Tag Axle, Mood Lighting, Underfloor heating and dual hinged fridge to name a few. Please get in contact today as availability is already limited.
